RE: Qualifying Charitable Organization – Approval

Mr. Efros:

The Cottonwood Lions Club Foundation meets all criteria to be considered as a Qualifying Charitable Organization. Your organization's name will be added to the 2015 list of qualifying charitable organizations on the Arizona Department of Revenue website. You will be able to find the list on the Arizona Department of Revenue website at [azdor.gov](http://azdor.gov). Just click on "Tax Credits", "Qualifying Charitable Organizations" and then "2015 list".

Enclosed is a certificate acknowledging that your organization meets all criteria to be considered as a Qualifying Charitable Organization. You may display the certificate or keep it in file.

The department may periodically request organizations to recertify their status. Your charity's status is valid for the entire 2015 calendar year and until you hear from us again. Your organization must also notify the department of any changes that may affect its qualifications.

Thank you for your request to qualify your organization as part of the tax credit for charitable organizations.

Sincerely,

A handwritten signature in cursive script that reads "Jaclyn AaronsCooke".
