

CLUB HISTORY

The Cottonwood Lions Club has been serving the Cottonwood, Arizona, area for more than sixty years. Our main focus of service is to provide assistance to residents of our community who cannot afford to get professional services to improve their sight or hearing. We also have participated over the years in many community improvement projects (Lions Park in Old Town, trees planted in various places, construction of the Chamber of Commerce building, etc.) The club sponsors an annual distribution of flags to first graders. We also contribute to scholarships and leadership programs for our community high school students. To continue this history of service to our community we need volunteers from each generation to give of their time and talents to better the lives of their fellow citizens. Don't put it off! Join us today!
